

MONI AI - Delivery Terms (Operations)

Scope: standard delivery terms for customer orders handled by the sales desk.

1. Delivery windows. Standard orders ship within five business days of confirmation.
2. Partial shipments. A partial shipment is allowed when stock is short, and the customer is informed by email before dispatch.
3. Carrier selection. The warehouse selects the carrier; the sales desk may request a specific carrier at least one day before dispatch.
4. Delays. A delay must be reported to the account manager the same day it is found.
5. Delivery notes. The delivery note travels with the shipment and is recorded against the sale order in Odoo.
