

MONI AI - ZETETIC Restructuring Memorandum

Classification: board only. Not for distribution outside the board.

This memorandum concerns the ZETETIC restructuring of the delivery organisation.

1. Background. The ZETETIC review concluded that the current delivery structure carries duplicated cost across two regions.
2. Proposal. Consolidate the two regional delivery desks into a single ZETETIC unit reporting to the operations director.
3. Financial impact. The ZETETIC consolidation is expected to reduce fixed cost.
4. Timeline. Subject to board approval, the ZETETIC transition starts next quarter.
5. Confidentiality. This ZETETIC memorandum is restricted to board members.
